Insuring Success

18 Evergreen Street

Broomfield, CO 80020

To whom it may concern,

This letter is a recommendation for Scott Addison and Insuring Success. Scott brought to our district a voluntary benefit for our employees that is imperative for all teachers to hear about. Before visiting with our staff, he spoke at our staff meetings to give them a brief overview of the new benefits. This was to insure that all our staff got the best look at the program and see if it would be a good initial fit for their families. When he followed up with our teachers, he would always check in with the office and only visit our staff during non-instructional time. Scott has been very professional in his dealings with our staff and I would recommend him to work with you school district also. Please contact me if you have any questions!

Sincerely
