Scott Addison
Insuring Success
Broomfield, CO 80020

To whom it may concern,

This is a recommendation letter for Scott Addison and Insuring Success. He brought to our staff an insurance plan that should be a part of every schools benefits package. This plan goes hand-in-hand with your major medical and actually pays teachers when they experience life changing events like Cancer, Heart Attack and Stroke, or Accidents. The plans are a Win-Win for the teachers because if they never have a claim they get 100% of their money back.

While working with, Scott he made sure to follow the proper channels and always checked in with the office staff before entering the school. He made sure to only contact the teacher during their non-instructional time. Our teachers were very thankful that we made a product available. If you have any questions, please contact me directly!

Sincerely

A handwritten signature in black ink that reads "Gina Rivas".
